In accordance with IRC Section 5739.03(C), we request that you complete and return the attached Contractee's (Owner's) Certification form, for the purpose of determining sales/use tax liability.

Please bear in mind that personal property used in process/manufacturing is exempt from Ohio sales and use tax, whereas material incorporated into real property is taxable to (Contractor Company Name) and reimbursable to (Contractor Company Name) by the GC/Owner.

Please complete Section (B) designating real vs. personal property, such that the estimated costs equal the contract price of \$_____. Then please return the completed form to: _____ . Thank you for your prompt response.
