Booth 8 - E-Tank Ltd.

4113 Millennium Blvd. SE, Massillon OH 44646

Phone: 888-703-8265 Fax: 330-837-3100

Contact: Michael Nettle Email: mnettle@etank.net

<http://www.etank.net>

E-Tank is your one-stop, most economical and cleanest alternative for renting environmental equipment. Our inventory includes: 21,000-gallon frac tanks, 10,000-gallon mini tanks, 25-yard vacuum boxes, vapor-tight metal lidded roll-off sludge boxes, 25-yard dewatering boxes and secondary containment units. Unlike most of our competitors, our tanks are certified clean when delivered to your work site. E-Tank follows a rigorous program to ensure that the risk of cross contamination from another contractor's site is virtually eliminated. E-Tank also offers a cleaning service to clean the tanks at the end of the rental period and properly dispose of the rinsate. Delivery is available 24/7 through our toll-free number, with locations in NE Ohio and Indianapolis, IN and Buffalo, NY. E-Tank effectively serves 8 states.

Representing E-Tank Ltd.: Mike Nettle & Alan Jaslow

Booth 19 - KERAMIDA Inc.

260 Northland Blvd., Suite 114, Cincinnati, Ohio 45246

Phone: 800-508-8034

Booth 20 - United Solutions, Inc.

11807 Reading Road, Cincinnati OH 45241-1545

Phone: 513-733-4666 Fax: 513-786-6714

Contact: Ed Hart Email: ehart@teamusi.com

<http://www.unitedwastewater.com>

United Solutions provides non-hazardous centralized waste pretreatment and disposal services and used oil collection. These include waste water, ink and paint washwater, sludges, high-metal content waste streams and used oils. We recycle more than 100,000 gallons of used oil each month by marketing it to re-refiners. The company operates a state of the art pre-treatment facility, built in 1994, that uses a wide variety of technologies to handle the range of materials processed. They include ultra-filtration, rotary vacuum filtration, carbon absorption, chemical treatment, metals flocculation, filter press, centrifuge and solidification treatments. United has compiled an outstanding environmental compliance record with both the Ohio EPA and Cincinnati Metropolitan Sewer District (MSD), which regulates water discharged into sewer systems. Representing United Solutions, Inc.: Ed Hart & Andrea Adair
